

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**SB 1670**

January 18, 2022

**SUMMARY OF BILL:** Expands the list of individuals employed by a local board of education that are required to receive in-service training on the detection, intervention, prevention, and treatment of human trafficking in which the victim is a child to all school personnel.

**FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Tennessee Code Annotated § 49-6-3004(c)(1)(B) requires teachers to complete in-service training once every three years on human trafficking when the victim is a child through the viewing of a video recording approved by local education agencies (LEAs).
- It is assumed that LEAs already have the necessary resources and video recording required for the training and can accomplish the training during the normal course of business; therefore, increasing the number of employees required to receive training will not result in any significant fiscal impact to local government.
